

Refurbish! Restore! Rejuvenate!

All the lovely items you may have in your attic — be it mirror frames, picture frames — to be replastered and gilded with a basis of papier-mâché.

Or just experiment with making ropes, swags and flowers using papier-mâché and applying those to boxes. Plain mirrors are a good beginning.

- 10th / 11th June
- 29th / 30th July
- 23rd / 24th September

The picture shows a student with her mirror she has restored with papier-mâché and gesso (plaster)
