

Modern Découpage- Create Your Own Heirloom

Students are encouraged to bring their own images and maybe family photos if they are considering creating their own keepsake box, otherwise I have a wealth of pictures to choose from. These pictures are printed off on a copier for which I do charge £1 per sheet of A4.

If you have no box of your own, I'm sure I can help you as I normally have a selection of items you could purchase from me. Smaller boxes to work on as trial runs are provided free along with glue etc.

Decoupage is instant, exciting and rewarding.

Should you wish to see examples of my work I now show regularly at Cheltenham Promenade - please see the dates opposite or look on www.annemaliphant.com
